## Chapter 1 by 20hupj

What would you do if world was in chaos? A pile of ashes and rubble, scavengers fighting for food. What would you do if your country were struggling for money, democracy was derailing and speeding down a hill. What would you do if the public living in slums and leading officials where going rabid. This is why they made the curse.

## Chapter 2 by 20hupj

No one can lie.

No one is allowed to speak a word of lies.

You cannot say I hate you when you really love them.

You cannot teach a science theory when it is incorrect.

You cannot tell your foster parent Mother.

You cannot say it's a cold, when really it is a cold.

Because otherwise they take you away.

Truthfully, it was a stupid curse.
